The members of the chorus are very proud of their accomplishments, especially those who were in chorus the year before and were able to witness firsthand improvements.

"For a group that has a variety of music experience, from none to four or more years, this year's chorus has done a superb job. The preparation for performances takes a lot of slow and patient work; the chorus'behavior helps make this possible. If the members keep good attitudes they will improve and the numbers will grow every year." James Seaboch

A WEEK OF

Each year student council elects a committee to plan a week of different events during homecoming. This tradition is known as Spirit Week. This year on November 2-6, 1987, the week's activities included:

Monday — Childhood Day. Students were asked to dress like a child.

Tuesday — Collegiate Day. Students were to advertise their favorite college.

Wednesday — Day in the Shade. Students were allowed to wear sunglasses to school.

Thursday — Hee-Haw Day. Students dressed like farmers and cowboys.

Friday — Orange and Blue Day. Students wore the school colors of orange and blue.

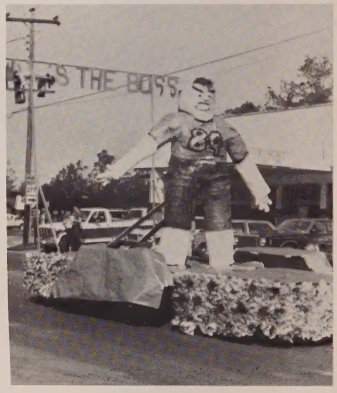
Each student who dressed up received one point for their grade level toward the spirit stick. There were also many contests in which students were allowed to compete.

SPIRIT

Among the different contests were a Jello eating contest. Michael Birge took first place,and Zack Dixon was second place. During the pep rally Homecoming Day there was a spirit competition between the grade levels, which the class of '90 won.

HOMECOMING

The spirit stick measures the amount of spirit each class has, the winner being the class with the most spirit. Although competition was close this year, the senior class of 1988 became the winners. The contest also involved having a float in the parade. After working hard all day, a group of judges rated the floats on a number of different items.



1987

In the classes division — first place was the sophomores with the theme of "Alf", second place were the seniors with "Head of the Class". Third place freshmen had the "Houston Knights" theme, and the Junior's theme was "Who's the Boss." In the club division — FFA won first place with "M.A.S.H." as their theme, and the student council came in second with "Sledgehammer."

FOCUSING ON . . .

Kim Ellis — Homecoming Queen '86-'87

Students became excited about sign construction. The main hall of the school was covered with class signs and homecoming queen nominees' campaign posters. It was exciting to see what new and creative sign would pop up next.

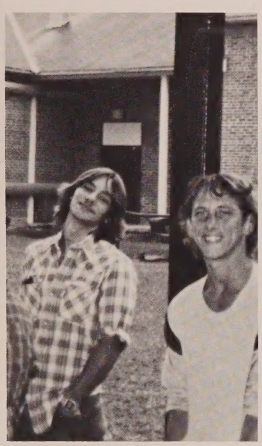
SMILE . . . IT'S CANDID CAMERA



Did you ever hear the phrase "smile you're on candid camera?" Well I think these groups of people have heard it quite often. Since they were always posing for our photographer, I decided to put them on their own page. They sure are hamming it up, aren't they?

Learning all the fundamentals was the goal of the young Jackets. If enthusiasm won the game, they would have been way ahead of everyone. Under the excellent leadership of Coach Sexton and Coach Allen these players improved throughout the year. These athletes will give us a strong future football team and a team we can be proud of.

Members are: (front row) T.Burke, G.Peterson (second row) R.Broxton, P.Perkins, B.Bell (back row) C.Duty, L.Nettles, S.Brown, D.Register.

B-TEAM VOLLEYBALL

With only one returning player, team captain, Grace Peterson, this young team had to work very hard. But this hard work paid off when they beat Chipley at home this year. But even when the team experienced a loss they showed excellent teamwork. There were several outstanding players who Ms. Piercy expects to contribute greatly to the varsity next year.

VOLLEYBALL

This year's volleyball team concentrated mainly on sets and spikes. Although the team's record was 3-7, the players and fans never gave up. The 1987 season was a rebuilding season after losing all but one starter, but the girls showed much improvement through the season. With most of the players expected to return next year, Ms. Piercy anticipates a much higher skill level for the next season.

Varsity players are: L to R (front row) Coach Piercy, Tonya Davis, Laura Alford, Twan Jackson (middle row) Tiffany Smith, Tanya Galloway, Penny Scott (back row) Tammy Edwards, Carrie Walker, and Tamara Register.

VARSITY GIRLS BASKETBALL

Starting the year off by controlling their long time rival, the Chipley Tigers, the Lady Jackets were determined to be a dominating force.

Though the season proved to be a tough one for our Lady Jackets, the girls put a valiant effort toward each game. Coach Merle Bonner and his athletes devoted their time to practice in preparation for the games. The varsity girls' team definitely showed the spirit and pride of the Yellow Jackets.

B-TEAM GIRLS BASKETBALL

The B-Team girls basketball team was a very spirited team that possessed a great desire to win. The team consisted mainly of seventh and eighth grade girls, who faced a tough and challenging schedule. Faced with playing teams bigger and older, the girls demonstrated the desire and team spirit they possessed and gained the needed experience for their future years of basketball.

(L to R) — Selena Siples, Angela Myers, Karen Peterson, Carrie Duty, Nina Haddock, Wendy Jenkins, Dawn Rogers, Kim Adkinson, (Front) Jenny Bonner, Jennifer Register, Tammy Fraser, Nancy Alford, Joan Spence.

B-TEAM BOYS' BASKETBALL

The 1987-88 Boys' B-Team Basketball Team was very young and inexperienced. This youth and inexperience contributed to the inconsistency throughout the season. During the course of the season, each player matured and made great strives of improvement and the team learned how to play together. Teamwork and their good attitude will make this team a winner in the seasons ahead.
Coach Allen

VARSITY BOYS BASKETBALL

The season, getting off to a slow start on our part, made a turn for the better in the exciting game against Bay High. In the climactic game, Brad Hall shot the winning points at the buzzer in the three point range.

Continuing through the season, the mighty Jackets opened a lot of eyes. By defeating such teams as Rutherford and Cottondale, the Jackets proved that they were still strong.

Shedrick Walker, known as "Shed" to most, demonstrated common Jacket pride by winning the free throw contest at the annual Christmas tournament.

Other players remaining strong to the team are Brad Hall, Gary Hewett, Keith Wright, Jason Smith, and Shedrick Conners. The new players this year were Jeffrey Jackson, Paul Reed, Jerry Gipson, and Drexyl Andrews.

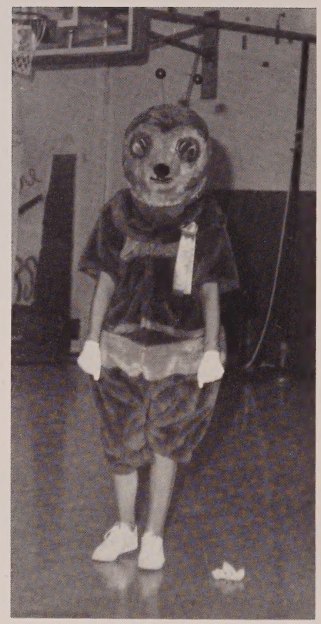
VARSITY CHEERLEADERS

"The Varsity Cheerleaders work very hard to promote school spirit for all sports. They sell spirit ribbons for every football game and occasionally during basketball. This is the first year for our Mascot and we feel that this is an added plus to the school.Each Fall and Spring, the cheerleaders sponsor a clinic for elementary school aged students. In May of each year the cheerleaders sell birthday calendar ads and listings, which helps pay for uniforms and camp. Usually during the year, the cheerleaders sell sweat shirts to help raise money."
Sandra Cook



Our new mascot played a large part in our cheering section during various sports. The funds that were used to purchase the mascot were donated by VHS students and the Athletic Association.

Left to Right: Jennifer Peterson, April Shipes, Jackie Brown, Dawn Rushing, Pat Andrews, Crystal Knight, Cynthia Bland, Wendi Guy, Jennifer Pate.

"I've really enjoyed being a cheerleader at VHS. It was great working with my fellow cheerleaders and Mrs. Cook. I'm going to miss it all when I graduate."

BASEBALL

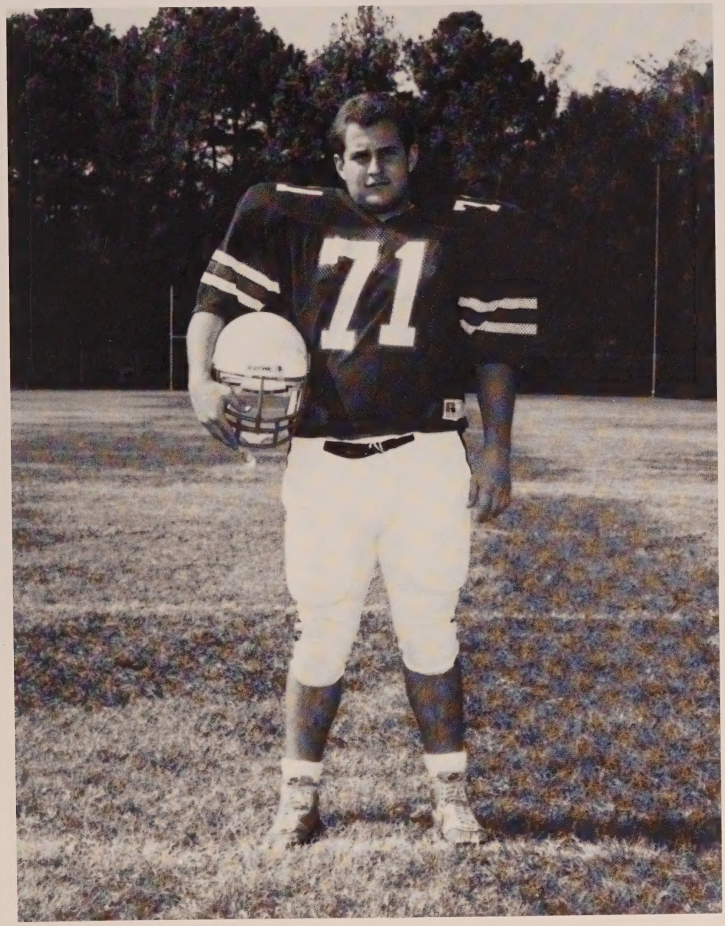
Each year, as winter days begin to disappear and the grass turns green, Vernon High students throw off their jackets and head for the outdoor sports.

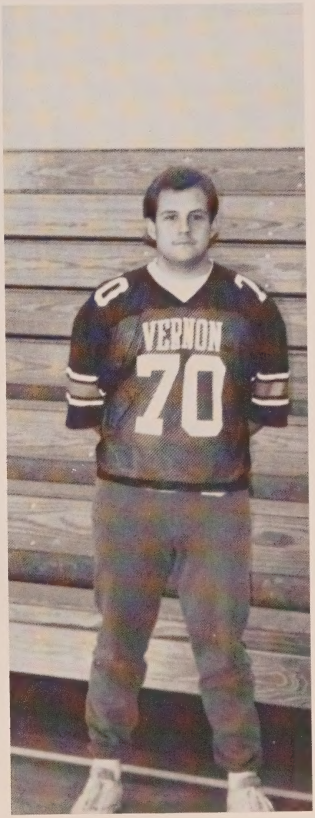
One of the more popular sports is baseball. Vernon, through the years, has had an outstanding baseball team and this year's team was no exception. With eight returning players the Jackets offered a season full of excitement.

Back Row: Clifford Owens, Michael Gilley, Sean Collins, and Mike Watkins. Front Row: Norman Parish, Gary Cook, Wesley Hall, and James Spence.

Senior players are: Michael Gilley and Mike Watkins.

SPOTLIGHT: ALL STATE SELECTION





"Jimmy's selection to the 2A All State team is an honor that comes to very few of the hundreds of football players in the state. All of VHS should be proud of Jimmy's accomplishment. This honor was awarded to Jimmy because of his hard work and dedication to be the best that he could be.

All of Jimmy's teammates and coaches extend their congratulations to him for this most deserved honor.

C. Sexton

THE OLYMPICS

The Special Olympics offers exceptional students the opportunity to participate in the following sports: Basketball, Softball, Soccer, Volleyball, Track and Field, Weightlifting, Tennis, Bowling, Gymnastics, Aquatics, and Equestrian.

Many of the athletes overcome their disabilities and gain the skill and confidence to participate in the regular sports programs.

This year Vernon High School sponsored the Indoor Games, which were Basketball and Bowling.

Our Vernon Olympians have excelled in many of these sports and we are proud of them.

Though few in number, their efforts were many and their hard work and dedication made Vernon Middle School sports a success. Activities that were enjoyed by these cheerleaders were candy sales, a Christmas party, pizza during games, and a birthday party for Mrs. Tison.

"It has been chaos at times, but I must say I love each of the girls and being a sponsor. We appreciate Mrs. Tison. She has helped us a lot this year." Mrs. P.Brown

BEHIND THE SCENES
IN THE CROWD

When the game is over our athletes must return to the classroom and other responsibilites. We should commend them for successfully representing our school while at the same time concentrating on their academics.

THE BASICS

Before an athlete can become "Magic Johnson" or "Walter Payton" they must first learn everything there is about their sport, primarily the basics. Vernon is dedicated to teaching the fundamentals in the hope that each athlete will use the knowledge to his or her benefit.

Vernon High School is filled with uniquely interesting people and the Junior class of 1988 is no exception. They are made up of witty, half-crazy and just plain fun people. Where else can you find students who spend their time after school ice-skating in their refrigerator? The Juniors of 1988 have definitely got the "flash" to make it to the top.

LIGHTS ... CAMERA ... ACTION!

What is your favorite T.V. show?

If you said "Tour of Duty" you are not alone. The majority of the students in the sophomore class chose "Tour of Duty" as their favorite show. The next most popular show was "The Cosby Show," followed by "Moonlighting," "Wise Guy," and "Knot's Landing" all vying for third place.

Many shows had only one vote, such as "Houston Knights," "A Different World," and "Matlock." The most unusual choice was "Outdoors With Red," voted on by Jamie Holley.

Why did they choose the shows they did? Angie Rudd chose "Knot's Landing" "because of Abby Ewing. She knows what she is doing, she has total control over men, and she is rich!" Jenny Owens chose "Growing Pains" "because it makes me laugh and it makes me cry."

People have many reasons for watching the shows they do. So next time someone asks you what your favorite show is, think about why you like it so.

"The Wave or The New Generation?"

The cola wars are constantly flashing across the t.v. screen and blazed through magazines. What do they mean to us, though? The Freshmen gave Coke and Pepsi a close battle, but Coke emerged the victor.

The question was asked "Which is your favorite and why?" The two freshmen below answered this way.

"Coke. It is the best brand, it tastes good, and cools you down on a hot day." Sheila Brunson

IN CLOSING . . .

Now picture this: it's the end of the day on the last day of school. Over the summer and through the years, those students and faculty members present during the 1987-88 school year will hold memories of "the way it was." Several changes occurred this past school term. A Coke machine dispensing fruit drinks was placed in the cafetorium for students to use during lunch. Another change for the better was the renovation of the lockers. No more will students have to contend with sagging, broken locker doors. They were repaired and painted blue in October of the school year and still look brand new! A minor change was the moving of the computer lab to room four in the math department wing.

It was a full year with numerous activities for the students to participate in. To the seniors we bid a fond farewell and wish for them all success, just as they and the rest of the Vernon students have made the 1987-88 year a success.

Minda Haddock and Melissa Hagan enjoy chicken dinners from Evans'.

Kathleen McLean and Sonia Sadauskas put in some long hours working on the 1988 Jacket Buzz yearbook.

A familiar sight for most Vernon students.
